WEB DEVELOPMENT INTERNSHIP PROGRAM

PROUDLY PRESENTED TO

AJHAD K

Gained practical experience in Web Development through structured learning and hands-on projects. Covered fundamental technologies like HTML, CSS, and JavaScript to build interactive web pages. Explored backend development using Node.js and implemented real-time features and authentication with Firebase. Demonstrated skills in problem-solving, web design, and building full-stack web applications.

A handwritten signature in black ink, appearing to read "Adith.A", written over a horizontal line.

Adith.A

Chief Technology Officer (CTO)

Intern ID: VERVEOX25WD12

Duration : 07/07/2025 - 07/08/2025
